Two Disaster Recovery Centers in Dodge and Sarpy Counties Will Transition to Disaster Loan Outreach Centers

LINCOLN, Neb. – The Disaster Recovery Centers in Fremont and Bellevue, operated by the State of Nebraska and the Federal Emergency Management Agency (FEMA), will close at 6 p.m. May 17, and reopen Monday, May 20, as Disaster Loan Outreach Centers operated by the U.S. Small Business Administration (SBA).

The Dodge County Center location will reopen at:

**Fremont City Auditorium - Community Room
925 N Broad Street
Fremont, NE 68025
Open Monday-Friday 9 a.m. – 6 p.m.**

The Sarpy County location will remain at:

**3802 Raynor Parkway, (Suite 201)
Bellevue, NE 68123
Open Monday-Friday 9 a.m. – 6 p.m.**

SBA customer service representatives will be available at the center to meet individually with businesses, homeowners and renters to answer their questions, explain SBA's disaster loan program, help them complete their applications and close their approved loans.

Businesses of all sizes and nonprofit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. The SBA can lend additional funds to help businesses and residents with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most nonprofit organizations of all sizes, SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic injury assistance is available regardless of whether the business suffered any property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace their damaged or destroyed primary residence. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property.

Applicants may apply online using SBA's secure website at disasterloan.sba.gov/ela.

For questions or information, visit sba.gov/disaster. Help is also available by sending an email to: disastercustomerservice@sba.gov, or contacting the SBA's Customer Service Center at **800-659-2955**.
