May 8, 2019 (Lincoln, Neb.) — The Nebraska Department of Transportation (NDOT) has learned from its partner, the Iowa Department of Transportation (Iowa DOT), they have restored limited mobility on I-29. However, Iowa Highway 2 will only open to eastbound traffic from I-29 and allow for traveler services. Nebraska Highway 2 remains closed.

Interstate 29 between US-34 and the Missouri border have reopened. According to Iowa DOT, travelers should expect intermittent lane closures and one mile of head-to-head traffic over the southbound bridge at mile marker 8.5. No oversized/overweight loads will be allowed at this time and widths are restricted to 12 feet.

For more information on the opening and restrictions, please visit Iowa DOT's website at <https://www.news.iowadot.gov/>. In addition, check Iowa DOT's 511 for updates on closures in the area.

The system is available at all times online at www.511.nebraska.gov, Nebraska 511's smartphone app or by dialing 511 in Nebraska for Nebraska information or 511 in Iowa for Iowa's information.
